16) These papers relate to a reference from the Residency requesting to be furnished with information regarding the individuals normally serving in the Civil Departments of the State but now serving with the forces outside Europe and in respect of whom priority in the matter of release from military service, immediately peace is assured, would be desirable. As only a very few officers of the Civil Departments of the State are now serving in the Field, there is no need to apply for priority in respect of any of them. The Residency has been informed accordingly.

From

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 12th July 1918

Sir,

I am directed to forward, for information, a copy of letter No. 6292, dated the 13th May 1918, from the Government of India in the Army Department and to request that the information asked for therein may kindly be furnished at a very early date.

CONFIDENTIAL

Letter No. 6292, dated the 13th May 1918, from the Addl Deputy Secretary to the Government of India, Army Department Simla to the Hon'ble the Resident in Mysore and Chief Commissioner Coorg

---:0:---

The Government of India have under consideration the question of the release from military service, immediately peace is assured of officers and subordinates of the public services in India who are

x Mesopotamia, East Africa, Aden, India.

x serving with forces outside Europe which are either wholly or partially under the control of the Government of India.

2. It should be understood that the process of demobilisation is essentially a gradual one, and it is therefore necessary to formulate in advance a scheme under which priority in respect of release from military service shall be granted where necessary. The individuals whose release is desirable at the earliest possible opportunity are obviously those whose services in their normal capacities can best be utilised either in connection with the actual work of demobilisation or in dealing with the immediate effects of demobilisation. Following these in order of urgency would be those persons whose urgent return to their normal duties is desirable in the interests of the State, and such other cases as may suitably be included in the same category.

3. In order to enable the Government of India to prepare a useful scheme on the lines contemplated, I am to request that you will kindly supply the following information, so as to reach this office not later than the 1st July next, in regard to each individual normally serving under ~~the orders of~~ your orders and in respect of whom priority in the matter of release from military service, is considered desirable:-

(a) Rank and name.
(b) Normal appointment.
(c) Force with which serving (if known).
(d) Capacity in which serving.
(e) Reasons for granting priority of release.
